Thanks. Can you relay the message? Could you also ask him to send along his resume, please? Thank you!

Hi Aaron,

I have a trial starting on Aug 10th in Middlesex Superior (as 2nd chemist), so I should be available on the 10th and we can make arrangements for 11th if needed. Don't worry, hopefully the defendant will plea.

Dan still works with the lab. Would you like me to relay a message to him?

Let me know the status of this case.

Thanks,

Annie

Two questions: one. are you available that day or the 11th for trial? Also, does Daniel Renczkowski still work with you? I expect this case to be a plea but I want to make sure in case it is not. Thank you.
